+233 241 332 246 isaacagyakoomson@yahoo.com www.isaac.kiastartupconsult.com

LinkedIn: Isaac Agya Koomson

PROFESSIONAL SUMMARY

Economic systems strategist and innovation consultant specializing in **entrepreneurship ecosystems, digital transformation, climate-smart enterprise development, and youth employment systems** in emerging markets.

Founder of KIA–Start Up Consult Ltd and Civitas Estate and Maintenance, and Team Lead of HopeFusion Africa, where he designs practical frameworks that translate development policy into scalable enterprise growth and employment outcomes.

Isaac has supported more than **50 startups and SMEs**, advised ecosystem stakeholders, and participated in global development dialogues, including the IMF/World Bank Spring Meetings and the Fourth International Conference on Financing for Development. His work focuses on strengthening innovation ecosystems, improving SME competitiveness, and advancing sustainable economic transformation across Africa.

AREAS OF EXPERTISE
